How to Pay Your Tuition and Fees

Tuition & Fees

To view tuition and fee rates can be found under the Bursar/Cashier webpage depending on grade level and residency by going to the following page: <https://www.csu.edu/financialoperations/bursar/tuition/>

For any questions, regarding tuition and fees, contact the Bursar Office in-person in the Cook Administration building, ADM 213, by phone at (773) 995-2470, or by emailing bursar@csu.edu.

Tuition and mandatory fees are subject to change.

Six-Year Guaranteed Student Tuition

The "Truth in Tuition" bill mandated that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the 2004-2005 academic year. Beginning with the Fall 2004 semester, each new undergraduate class of students (first-time freshmen and transfer students) has the tuition rate held constant for four consecutive years. In 2010 the bill was amended to include an additional two years of guaranteed tuition rates for the amount the university charged students who first enrolled in the university for the academic year following the academic year the student first enrolled in the university.

The guaranteed rates remain in effect for six years or until the student reaches 120 credit hours, whichever comes first. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or six years. The guaranteed rate will remain in effect except in the event of a break in enrollment of no more than one year (two semesters, excluding summer school). In no case will the initial guaranteed rate be valid beyond six years of total enrollment. The undergraduate (returning, non-guaranteed rate) will be assessed for students that extend beyond the six-year guarantee period (120 credit hours) or six years of total enrollment. For all other students, Chicago State University's current tuition program remains in effect. The Term's General Information document published online each term, references current information.

Payment Options

Students may pay for their tuition and mandatory fees by enrolling in a payment plan.

A non-refundable service fee of \$50 will be charged to students choosing the installment payment plan, according to the month that the plan begins for the term.

A delinquent fee may be charged to students who have not completed full payment of their tuition and fees by the due date of the final payment, and a financial hold will be placed on the students' records preventing registration for the subsequent semester.

You can enroll in a payment plan by logging into your Student Account Portal in Cougar Connect.

Verified Payment Source

Purpose of Verified Payment Source: To plan and confirm how you will pay for tuition and fees for the semester. Verified payment Source for tuition and fees must be selected through the Registration & Financial Responsibility Agreement page in Cougar Connect when registering for courses. If the payment source that was selected is not in place prior to the drop for non-payment deadline, you will be dropped from your courses.

Why Verifying how you will pay for tuition and fees is important?

1. Having a financial plan
2. How to not have a remaining balance before the next term registration opens.
3. Exploring payment options
4. Being prepared
5. Understanding your financial responsibility
6. To no be dropped from your courses

Payment verification is only verifying the source and does not require actual payment at the time of registration.

Verified Payment Source is considered to be any of the following?

- Payment in Full
- Payment Plan
- Financial Aid
- CSU Scholarship(s)
- Private Scholarship payment
- Veterans Using Ch 33 or 31
- Employer/Third Party/Sponsor Payment

Note: If you selected payment in full payment plan, or "I don't know", and do not pay or enroll in a plan, you will be required to make a down payment. Part-time students will need to pay \$500, and full-time students will need to pay \$1000.

Delinquent account balances

1. **Final Payment:** Partial or complete payment will be accepted at any time; however, the total balance must be paid according to your payment plan. If you are not enrolled in payment plan, the total balance must be paid by the above final payment due dates. Make full payment before the deadline to avoid any additional charges.
2. **Default on Payment Plan:** Failure to make a complete payment on time according to your payment plan will cause a payment default and a delinquent fee will be assessed each month that the balance is outstanding. In addition, a hold will be placed on your academic record and you run the risk of not be permitted to register for subsequent terms until the balance is paid in full.
3. **Your financial responsibilities:** If you fail to meet the terms of your installment payment agreement and/or have a remaining balance, you will not be eligible for academic credit for enrolled courses. In addition, CSU may report your account to the credit bureau, place your student account with an outside collection agency and assign the account to the State of Illinois Tax Off -Set System. It is further understood that all reasonable collection costs, fees or legal expenses incurred by CSU and any outside agency in securing payment is your responsibility. These fees could range from 25% to 50% of your unpaid balance.

Students who have outstanding debts at CSU after graduation or at the end of term will be placed on a financial hold which will prevent future registration, release of transcripts, diploma, grades, and certificates.

Ventra U-Pass

All undergraduate full-time students are required to have a Ventra U-Pass Card. The Ventra U-Pass Card costs \$170.00 per semester. All full-time students with 12 hours or more will have their accounts billed automatically. If you drop below 12 hours of enrollment, your Ventra U-Pass Card will be deactivated.

More information regarding the U-Pass can be found on the Bursar/Cashier webpage by <https://www.csu.edu/financialoperations/bursar/CTAupass.htm>

Questions regarding the U-Pass can be directed to the Cashier Office by emailing upass@csu.edu or calling (773) 995-2029.

Financial Aid

If you have not already done so, please complete the Free Application for Federal Student Aid (FAFSA) for the 2022-2023 school year as the application began October 1, 2021 for Fall 2022 financial assistance. Please check back with our website after March 1, 2022 for the availability of the 2022-2023 verification forms.

All funding from completed financial aid records for Summer 2022 enrolled students will be released to the accounts on June 20, 2022. Please remember that your financial aid will not disburse unless you have completed all necessary steps: Were you selected for verification? Have you submitted your complete and accurate documents to complete the verification process? Did you accept your financial aid offer via Cougar Connect? Did you answer your Title IV questions? Have you completed your master promissory note? Have you completed your entrance counseling? If you are a Graduate student seeking a GRAD PLUS loan, have you applied for the loan and were you approved? If any of these steps are needed but have not been completed, your financial aid will not disburse.

For Student loans to pay to your account, you must be enrolled at least half time based upon your degree seeking status (i.e., Undergraduate, Graduate, Doctoral student). All grant funding (Pell and MAP) eligibility is based on your enrollment (full time, three-quarter time, half time, less than half time). The amount you see on your financial aid award offer under Cougar Connect is based on full-time or 12 credit hours of enrollment for each term.

Students looking for book voucher consideration for the Summer 2022 semester, please make certain your 2021-2022 FAFSA is on file and that all red flags and verification documents are complete. Incomplete records equate to incomplete or no aid being paid to the account for voucher consideration.

All communication and correspondence to students will be done using your campus email. It is imperative that you review your email record for any information and communication from the Office of Student Financial Aid. Failure to do so may result in loss of eligibility and/or missed deadlines.

Students are required to become familiar with all rules, regulations and deadline dates (Federal, State and CSU) that may affect their financial aid eligibility by regularly reviewing the university's Undergraduate Academic Catalog and/or the Graduate and Professional Academic Catalog, the semester's academic calendar, the Office of Student Financial Aid website, and their individual account information which they may access through Cougar Connect and on CSU X-press.

Students need to be aware of their financial aid usage and eligibility limits. As an undergraduate student for Pell grant recipients, once you have reached 600% usage, you will no longer qualify to receive the Federal Pell grant. For loan recipients, if Independent you may not exceed 57,500.00 in borrowing, Dependent Students may not exceed 31,000.00 in pursuit of your First Bachelor's Degree. Students may access and review their awareness of their grant and loan usage by viewing their loan and pell grant history via www.studentaid.gov and click on the tabs, 'Understand Aid' and/or 'Complete the Aid Process and then to 'Complete Annual Student Loan Acknowledgement'.

Academic Regulations

Credit Hour Limit

Undergraduate Students:

The maximum credit hour load for the Fall and Spring semesters is 16 credit hours. Students whose CSU cumulative grade point average is 3.0 or better may register for a program of 18 semester hours. Additional hours beyond 16 must be approved in writing by the Advisor or Chair and sent to the Office of the Registrar at: csu-registrar@csu.edu.

Although generally there is no minimum credit-hour load for students, the following minimum credit-hour loads are *recommended*: Veterans receiving benefits under Public Law 89- 358 (Veterans Re-adjustments Benefits Act of 1966) must carry 12 credit hours to be eligible for full subsistence allowances during the semester.

For the following students a minimum credit hour load is required: (1) Student athletes must carry a minimum of 12 hours during the fall and spring terms to maintain eligibility status. (2) F-1 international students must carry a minimum of 12 credit hours during Fall and Spring terms to maintain lawful F-1 student status in the United States. Students may **not** be registered at other colleges without written permission from the program's department chair. This permission **must** be obtained prior to registration at either college.

Graduate Students:

The maximum credit-hour load for a graduate student is 12 hours in the Fall and Spring semesters. Exceptions to the graduate course credit-hour load may be made with the approval of the Advisor, Chair, or Dean. Students may not be registered at other colleges and universities without approval of their advisors and the graduate dean. Permission must be obtained prior to registration at either college.

Cancelled Classes

The University reserves the right to limit the size of classes and to cancel classes for which there is insufficient enrollment. Class cancellations are made the Thursday before classes begin.

If the class for which you are registered is cancelled, you will be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account. Students receiving financial aid benefits should consult with their financial aid counselor concerning any award implications. Class cancellation notifications are sent to students via CSU email.

Incomplete grade policy

A student may [request a grade of Incomplete](#) (I) if extraordinary and unavoidable circumstances have prevented completion of the required coursework for certain courses.

In order to qualify for an incomplete:

- The student must have completed at least 50% of the graded work
- Have a grade of "D" or better
- Must have attended classes within three weeks of the last day of scheduled classes.

If a student does not complete the course work by the specified date, the grade of "I" will be replaced by the default grade as stated in the incomplete contract. If there is no default grade the student will be assigned an F grade.

A request for a grade of Incomplete must be initiated by the student via our [Incomplete Contract Form](#). This can be found under "Forms" on the [Registrar webpage](#). The contract approved by the faculty and Chair must be submitted to the Office of the Registrar by the end of term. Students should **not** re-register for a course for which they have a grade of incomplete (I). If, after the incomplete contract has expired and/or a change of grade has been issued to replace the "I", a student may then register for the course again. See the Repeat Policy below.

Repeat course policy

Undergraduate Repeat Policy Students are allowed to repeat a course and have the highest grade earned count toward their cumulative grade point average. Please note that certain financial aid programs may not cover tuition for repeated courses. Students should contact a financial aid advisor when attempting to repeat a course, to determine eligibility.

Academic Probation

The Office of the Registrar will place undergraduate students on academic probation when their grade point average falls below 2.0. The purpose of academic probation is to provide students with a warning that their academic performance does not meet minimum university standards. While on probation, students may enroll for no more than 12 credit hours. Registration for additional credit hours requires the written approval of the Advisor or Chair.

DPS - Dropped for Poor Scholarship

Former CSU undergraduate students who have been dismissed from the University for poor academic scholarship (DPS) and have been absent from the University for at least one semester may apply for Reinstatement. The applicant must submit all the following before an admission decision is determined:

- Written [Academic Petition](#) form.
- Supporting documents, as appropriate.
- Official transcripts for all course work completed since leaving the university.

Applicants will be reinstated to the program in which they previously enrolled. To change degree programs students must first earn a 2.0+ cumulative GPA and submit a [Change of Major form](#) to the Office of the Registrar at: csu-registrar@csu.edu.

Students who transferred to Chicago State University with at least 15 transferable credit hours from an Illinois public community college and did not receive an Associate's degree are eligible to participate in the reverse transfer program.

Upon achieving junior standing (60 earned credit hours), students may apply to participate in the Reverse Transfer Program. Why an Associate's degree?

An Associate's degree is an important milestone in your education as well as a valuable credential to have on your resume. Employers value the Associate's degree as evidence of your commitment to expanding your knowledge and achieving your educational goals. The Associate's degree can make a difference in your long-term success in several ways:

Opening the door to better job opportunities, even while you're still working on your Bachelor's degree at CSU. Is the nation's fastest-growing academic credential and employers recognize its value when recruiting and hiring.

Who is Eligible for Reverse Transfer?

The reverse transfer of credit option is available to any student who is currently enrolled at Chicago State University and has earned:

- At least 15 hours of transferable coursework at any Illinois community college.
- A cumulative total of at least 60 transferable credit hours, between the community college and CSU; while satisfying the course requirements necessary to be awarded an associate's degree at the community college.

How to request:

Students need to complete the [Reverse Transfer Agreement Form](#), to allow sharing of transcript information between CSU and the Illinois public community college. This form is emailed out to qualifying students twice a year.

If you believe you qualify or have additional questions, please email: CSU-Registrar@csu.edu

Note: Students with an academic or administrative hold at Chicago State University are not eligible for transcript release.

FERPA & ADA

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U. S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - a. School officials with legitimate educational interest;
 - b. Other schools to which a student is transferring;
 - c. Specified officials for audit or evaluation purposes;
 - d. Appropriate parties in connection with financial aid to a student;
 - e. Organizations conducting certain studies for or on behalf of the school;
 - f. Accrediting organizations;
 - g. To comply with a judicial order or lawfully issued subpoena;
 - h. Appropriate officials in cases of health and safety emergencies; and
 - i. State and local authorities, within a juvenile justice system, pursuant to specific State law.Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA.
