Subject: Update on Metra Stop, 95th and Cottage Grove

The University has received multiple visits from Metra officials to review and discuss the future of the flag stop on 95th and Cottage Grove. This stop supports transportation to and from our campus. On September 28th, Metra officials toured the stop and surrounding area and developed a list of items for immediate improvement. On

Metra Executive Director, James Derwinski

October 11, 2018, we welcomed Metra Executive Director James Derwinski and his team to campus to discuss the station and future plans to improve the stop, increase

95th & Cottage Metra
Electric Flag Stop

safety and ridership. Illinois State Senator Elgie R. Sims, Jr. also joined us for this important discussion. We are pleased that Metra has agreed to make some enhancements to the station in the coming months. We will continue to press for a complete modernization of the stop. Stay on the lookout for visible changes to the CSU Metra stop by the end of the year!
