**BS Ed in Elementary Education  
(Licensure)**

## **Vision**

The College of Education prepares, supports, and empowers students to become educational leaders and change agents who transform and improve the lives of others.

## **Mission**

Our mission is to provide quality programs aligned with the principles of social justice and equitable practices supported by wrap-around services that address the needs of students. Scholarly research, advocacy, partnerships and innovation highlight the college's approach to teaching and learning.

## **Conceptual Framework**

The conceptual framework embraces the College of Education's mission, philosophy, model and purposes for preparing education personnel and the knowledge bases undergirding them. The initial and advanced programs for teachers, administrators and specialists are designed to reflect these concepts for preparing education personnel. Our conceptual framework reflects a shared vision, set forth coherently, with attention to candidates' professional commitments and dispositions. It communicates our commitment to diversity, technology and our belief that our candidate proficiencies are aligned with professional and state standards. The conceptual framework applies to both the College's graduate and undergraduate programs and their candidates. It serves as the model for how the College of Education prepares all candidates to support student learning. This preparation is characterized and distinguished by five core themes: (P) Professionalism, (A) Assessment, (C) Content knowledge, (T) Technology, and (S) Standards. It serves as the model for how the College of Education prepares all candidates to support student learning.

## **Elementary Education Program Overview**

Completion of the Elementary Education program qualifies students for the Illinois Professional Educator Licensure (PEL) in Elementary Education (Grades 1-6). The Elementary Education licensure and non-teaching option programs follow the standards of the Association for Childhood Education International (ACEI), content specialized standards, and meet Illinois State Board of Education standards in elementary education. Candidates may qualify for additional endorsements after a transcript review by the Office of Teacher Licensure.
