Rush University Medical Center Job Shadow Day

Rush University Medical Center hosted students from the Chicago State Nursing and Pre-Med programs for a job shadow day. Students heard from a panel of hospital administrators, recruiters, program managers and fellows.

A tour of the simulation lab was given and actors who role play as patients for nursing and medical students during clinical rotation were there to talk about their experiences. They also received valuable insight regarding employment with Rush and how to remain connected with the organization.

Cougar Ready

Are you **Cougar Ready**?

We will be opening up applications for our Cougar Ready Professional Development Program for the spring semester soon. Please look out for that announcement or reach out to our office for more information.

Happy Holidays!

The Career Development Team would like to thank you all for a wonderful semester and hope that you have an restful holiday season.

We look forward to continuing our work next semester!

Internship Open House

We hosted our "Pop-Up and Apply" Open House for internship opportunities in our office. We had positions across all majors available for students to browse and meet with our staff for more information. We always have opportunities that come to our office and welcome students and alumni to stop by to see what's new! It is essential in today's job market that you have

relevant industry experience on top of having a formal education. Internships are a great way to get exposure, build your skill set, make connections, and receive advice on how to ensure that you are ready for your career.

Mobile Office

Beginning in the Spring 2020 semester, we will be introducing the Career Development Mobile Office!

You will see our staff in various areas around campus to learn about our upcoming events, internship and job opportunities, and schedule appointments.

We look forward to seeing everyone out in our campus community!

Fall 2019 Hiring Fair

We are continuously working to develop partnerships for the Chicago State community to provide meaningful opportunities. Thank you to the following employers who participated in our Fall Hiring Fair for our December graduates:

- Cresco Labs
- Hireology
- Mission Dispensary
- National Sales Network Chicago
- Salvation Army
- ScribeAmerica
- Skills for Chicagoland's Future

Students were able to speak with these companies and organizations regarding employment after graduation.
