

**Chicago State University
College of Health Sciences
Department of Nursing
Application for RN-BSN Program**

NOTE: It is important that you complete this application fully and as directed. Incomplete applications will NOT be reviewed.

Instructions

Program Admission Requirements/Application Requirements:

1. A nonrefundable university application fee.
 2. Official transcripts from degree-granting institution, reflecting a minimum grade point average of 2.75 or higher on a 4.0 scale.
 3. An associate's degree in nursing or nursing diploma from an accredited nursing program.
 4. RN license verification that verifies current unrestricted RN license to practice in Illinois.
 5. Meet the university prerequisite requirements for Bachelor Degree criteria as traditional nursing students.
1. This application **must be completed** by all students seeking admission to the RN to BSN Program.
 2. There are **two applications** that must be completed: one to the University Undergraduate Admissions Office and one to the Department of Nursing.

University Application

You must apply on-line to the University at the following website:

<http://www.csu.edu/admissions/howtoapply.htm>

There is a fee for this application. You are responsible for completing the University application package by sending one official transcript from each school you have attended to the University's Undergraduate Admissions Office.

Department of Nursing Application

Additionally, you must complete this paper application with a copy of your RN license and copies of all transcripts. Send transcripts to:

Chicago State University
RN to BSN Program Coordinator
Department of Nursing
9501 South King Drive
College of Health Sciences
Business and Health Sciences
Room 200
Chicago, IL 60628
nursing@csu.edu

3. All students in the RN to BSN Completion Program must complete 120 semester hours consisting of general education requirements, nursing prerequisite courses, the 29 hours of the nursing curriculum, and the university credits granted for previous nursing coursework. Students are required to complete university general education and nursing prerequisites prior to beginning the upper division nursing courses. Admission to the RN to BSN Completion Program is competitive and there is a restricted enrollment.
4. All admissions to the RN to BSN Curriculum are conditional until verification of the completion of all courses, and copies of your current and unrestricted RN license.

Begin application on page 3
