Subject: Student Printing

The Information Technology Department has set up a printing station for student printing. The printing station is in Conference Room B, located near the radio station in the Cordell Reed Student Union Building.

There are two desktop computers, socially distant from each other, and a single network printer available for use. Each student must log in with their CSU ID to access the computer/printer.

Printing in the Library is not accessible at this time due to COVID-19.

If you require any assistance with printing, please email helpdesk@csu.edu or call 773-995-3963(X3963 on-campus).

Should you have any questions or concerns, please let us know.

Thank you,

Mark Las
