CHICAGO STATE UNIVERSITY

Student Immunization Requirements

The Chicago State University Wellness & Health Center is committed to promoting a healthy campus community. Students are responsible for meeting the university's immunization requirements and submitting the necessary documentation by the applicable deadline.

Chicago State University is partnering with **Med+Proctor**, an online platform that allows students to submit their immunization records electronically.

Required Immunizations

Students must provide documentation for the following immunizations:

- **Measles, Mumps, and Rubella (MMR):** Two doses for students born after 1957.
- **Tetanus/Diphtheria (Td/Tdap):** Documentation of three doses of the tetanus vaccine, with one dose administered within the past 10 years.
- **Meningococcal ACWY:** One dose of the quadrivalent vaccine administered at age 16 or older.

Students should review their immunization records before submitting them to ensure all required documentation is included.

Submission Deadlines

Please submit your immunization records by the deadline for your enrollment term.

- **Spring 2027:** January 8, 2027

Students who do not meet the university's immunization requirements may have a registration hold placed on their accounts. Applicable holds must be resolved before the student can register for a subsequent semester, in accordance with university policy.

Submitting records early allows sufficient time for review and correction of incomplete documentation.

How to Submit Your Immunization Records

Students will use Med+Proctor to complete the immunization submission process.

Access Med+Proctor using the links below:

- **Med+Proctor Website:** https://www.medproctor.com/
- **Med+Proctor Secure Login:** https://secure.medproctor.com/

- **Med+Proctor Help Center:** https://support.medproctor.com/

To submit your records, follow these steps:

Get Started with Med+Proctor: Visit https://www.medproctor.com/ to get started with your immunization submission. Follow the instructions to access your account and upload your immunization records.

1. **Complete your profile** by entering the requested personal information.
2. **Add your emergency contact information.**
3. **Review and accept the user agreement** as prompted.
4. **Upload your immunization records** and any required supporting documentation.
5. **Check your submission status** and follow up on any outstanding requirements.

Please ensure all uploaded documents are clear, legible, and contain the information needed to verify your immunization history.

Assistance and Questions

For an alternative submission option or if you experience difficulties accessing Med+Proctor, please contact the Chicago State University Wellness & Health Center.

- **Phone:** 773-995-2010
- **Email:** wellness@csu.edu
- **Location:** Cook Administration Building, Room 130

On-campus assistance is available. Please contact the Wellness & Health Center to arrange assistance with your submission or to discuss an alternative method for submitting your immunization records.

Stay on Track

Students are encouraged to review their records and complete all immunization requirements as early as possible. Keeping your documentation current helps prevent registration delays and supports a healthy campus community.
