IS YOUR RESUME READY TO OPEN THE DOOR TO YOUR NEXT OPPORTUNITY?

Join us for a hands-on resume writing and revision workshop.

Whether you are creating a resume for the first time, updating an existing one, or preparing for a career change, this hands-on workshop will help you present your experience with greater clarity and confidence.

Bring your current resume, if available; a laptop or tablet; and a job posting that interests you. During this collaborative workshop, you may work on your own résumé and/or a provided sample while learning how employers and applicant tracking systems evaluate applications. You will leave with practical strategies and resume improvements you can use immediately.

IN THIS HANDS-ON WORKSHOP YOU WILL:

- Explore Chicago area workforce trends and growing job sectors.
- Connect your skills and accomplishments to real job opportunities.
- Build or revise an ATS-friendly résumé using keywords, effective formatting, and responsible AI tools.

No current resume? No problem. Bring your experience, and we will help you get started.
